Weather Summary

Suitable Clothes and Weather Conditions:

Prepare for a mix of warm and cool temperatures during your stay in Las Vegas from April 15 to April 20, 2025.

Daytime (10:00 AM - 6:00 PM):

- Temperatures usually range from 70°F (21°C) to 80°F (27°C), so lightweight and breathable clothing such as cotton or linen shirts, shorts, and skirts are recommended.
- Don't forget to wear a hat, sunglasses, and sunscreen as the sun can be quite intense.

Nighttime (6:00 PM - 12:00 AM):

- Temperatures typically drop to around 50°F (10°C) during the evenings, so it is suggested to bring a light jacket or sweater for cooler evening strolls and events.
- Consider taking a scarf or gloves for those who are sensitive to cold.

Afternoon and Evening (Across the pool and shows):

- The desert climate can get warm during the day, especially when the sun is high. Bring a swimsuit and a cover-up for poolside relaxation, as well as a change of clothes for evening shows or events.

- During the evenings, temperatures can drop drastically as soon as the sun sets, so a jacket or shawl would be appropriate to have on hand.
