Weather Summary

Bangkok from May 4th-5th, 2025, will likely experience hot and humid conditions, with daily highs around 34-36°C and lows of 26-28°C. Scattered showers are possible, especially in the afternoons. Pack lightweight, breathable clothing, including comfortable walking shoes and rain gear. This is the start of the hot season, so staying hydrated is crucial. Consider using sunscreen, a hat, and sunglasses, and plan outdoor activities for cooler parts of the day to avoid heat exhaustion.
