Weather Summary

Bangkok from May 4th-5th, 2025, typically experiences hot and humid weather with daily highs around 35°C (95°F) and lows near 27°C (81°F). Expect scattered showers, especially in the afternoons. Pack light, breathable clothing like cotton shirts, shorts, and a light raincoat. This period falls outside the main monsoon season but occasional downpours are possible, so carry an umbrella. Stay hydrated and use sunscreen to combat the intense heat.
